Old Business:

- **FY21 SHARE Fee Increase:** The committee reviewed forecast documents and potential fee scale change options. Discussion also centered around challenges due to the increasing costs, including change to minimum wage. The committee decided that one increase to support the program three years would be preferable than a tiered increase. Esther Curry made a motion to send the proposal to increase SHARE fees in FY21 to member comment and Diane Yeoman seconded. All voted yes per a roll call vote. Cassandra Thompson will prepare communications to send to membership regarding the change and send to the committee for review before posting.
