SHARE Staff Update

SHARE Director—Chris Dawdy: none

Administrative Services—Traci Edwards: All new libraries have been added to the administration part of Polaris, including PAC display, pickup locations, and reports. Holds routing table has been updated to include all the new libraries also. Tweaks were made and part of loading was automated, with help from IHLS IT department.
Traci has been working on permissions to limit who sees Scott Air Force Base’s patrons and whose patrons Scott Air Force Base views on the staff side. She was able to limit and this could apply to other libraries. However, there is no way to limit using a valid registered patron card at self-checkout machines. Traci has also been working on Delivery reports for libraries that receive limited delivery in order to increase efficiency. She will be sending out the enhancement vote within the next few weeks.

**Bibliographic Services—Joan Bauer:** Training continues, with all hubs having Searching/Matching and Barcoding training during September. Serials training and Reports training is coming. Joan is working with new libraries joining SHARE and several school libraries that recently joined SHARE. $3 Bib Option has been well received.

**SHARE Committee Updates**

a. **SHARE Bibliographic Services & Cataloging Standards Committee—Bobbi Perryman:** Committee met in September and have decided to meet bimonthly instead of monthly, with the next meeting on third Friday in November. Best Practices will be submitted to the SHARE membership for vote.

b. **SHARE Circulation & Resource Sharing Committee—Esther Curry:** Committee will also be meeting bimonthly with next meeting October 15. Draft policies will be presented to the SHARE membership for vote. A survey was sent to the member libraries concerning fines and how they are calculated. Only 114 have responded. Illinois State Library staff has highly encouraged that the SHARE policies state in detail where the different type of library cards can be used. For example, public library cards accepted at public libraries but a school library card is not accepted at a public library. Committee will work on this.

c. **SHARE Policies & Finance/Fees Committee—Diane Yeoman:** Committee met the third Thursday of September to discuss changes to the SHARE Governance Document, including the addition of the eResource Committee. Diane moved to accept the changes to the document as presented, with Esther Curry seconded the motion. All ayes, no nays. Motion passed.

**Old Business:** Agenda for October 9 Semi-Annual Meeting: Bobbi Perryman asked if anything further needed to be added to the Agenda for the Member meeting. Hearing none, the agenda will be posted.

**New Business:** Scott Drone-Silvers made a motion to approved member to Michelle Varvil to replace Anieta Trame. Motion was seconded by Susan McKinney. All ayes, no nays. Motion passed.

**Public Comment:** none
