

Large Library Representative

The SHARE Executive Council is reviewing the governance structure. One challenge the group faces is the structure of representation for public libraries as SHARE governance is currently written. Right now, public library representation includes:

Small Public Library Representative (Population less than 10,000)

Medium Public Library Representative (Population 10,001-50,000)

Large Public Library Representative (Population 50,001 or more)

Only one library fits the description of a large public library. That limits the volunteers that are able to serve on the SHARE Executive Council, due to both term limits and due to leadership in other committees.

Would you support changing the definition, as follows:

Small Public Library Representative (Population less than 10,000)

Medium Public Library Representative (Population 10,001-25,000)

Large Public Library Representative (Population 25,001 or more)

Attached you will find a population list for our libraries, based on the most recent IPLAR.

LIBRARY	Service Population
Patoka Public Library	584
Herrick Township Public Library	626
Golconda Public Library	668
Elkhart Public Library District	704
Kinmundy Public Library	796
