

## Use of URLs in MARC Records ([MARC tag 856](#))

Information needed to locate and access an electronic resource. The field may be used in a bibliographic record for a resource when that resource or a subset of it is available electronically. In addition, it may be used to locate and access an electronic version of a non-electronic resource described in the bibliographic record or a related electronic resource.

URLs are allowed in the SHARE catalog. The information accessed through the link must be available to anyone regardless of library membership.
