CloudLibrary

**USER
GUIDE**

a division of

Illinois Heartland Library System

GETTING STARTED

1

DOWNLOAD THE APP

Via the Apple App Store, Google Play Store, or Amazon Store (Fire tablets only).

Scan & scroll to
"Get the App"!

2

LOG INTO THE IHLS LIBRARY

Select country, state, and Illinois Heartland Library System. Enter library card number and PIN.

3

ACCESS YOUR ACCOUNT

Manage borrowed items, reading history, holds, & more!

HOW IT WORKS

Download the app on up to **five** devices.

Borrow up to **five** items at a time, and place holds on **six** items at a time.

NEVER WORRY ABOUT LATE FEES!

Items expire automatically when they are due.

TIPS & TRICKS

Search & checkout or hold CloudLibrary items directly from your library's online catalog.

Use filters to narrow the results by availability, type, genre, etc.

Select **Return** in the My Books tab to free up your borrowed items & check out more.

Select the **Save for Later** button next to titles you may want to read later to keep them in your Saved list.

Try **Kids Mode** to access a more intuitive, colorful format for younger readers. Toggle Kids Mode on/off in your child's account settings.
